

Meeting Notes

Key Points:

- Introductions to Team
- Pitch of ideas
- Decision made on project focus

Date: August 7, 2022

Participants:

Megan Sharkey	Abby Morela
Hannah O'Hara	Arpana Shekhar
Samara Grossel	Sara Valko

Follow Up:

1. Create a project proposal document to share our idea with Amy & Rebecca

Summary:

The first meeting was met with enthusiasm from all team members as they discussed what this semester's project would be. They wanted to encompass all of their learning from the past year of classes as well as the studies in the upcoming semester. The team settled on an idea named FashionEye, a reverse image lookup system with integration for a reselling fashion platform. More information is to come in the proposal for Capstone Advisors to review.

Questions:

1. What idea are we going to focus on this semester?
2. What are the expectations of the team?
